PROJECT FIRSTLINE
CDC's National Training Collaborative for Healthcare Infection Prevention & Control

American Hospital Association™
Advancing Health in America

Project Firstline is a national collaborative led by the U.S. Centers for Disease Control and Prevention (CDC) to provide infection control training and education to frontline healthcare workers and public health personnel. The League for Innovation in the Community College is proud to partner with Project Firstline, as supported through Cooperative Agreement CDC-RFA-CK20-2003. CDC is an agency within the Department of Health and Human Services (HHS). The contents of this document do not necessarily represent the policies of the CDC or HHS and should not be considered an endorsement by the Federal Government.
