... ————— LEAGUE AWARDS ————— ...

Foreword

The League for Innovation in the Community College has been dedicated to informing, inspiring, and celebrating innovation in learning, teaching, staff development, and student success for over 52 years. More than 35 years ago, we created the Innovation of the Year Awards to recognize innovations that reflect significant achievements and the continuing renewal of the spirit of experimentation upon which the League was founded. In 2012, we established the Excellence Awards to celebrate outstanding faculty, staff, and leaders in the community college field who have made a significant difference in students' lives and local communities. As the pandemic continues to test our individual and collective will for change, award recipient efforts ensure us that we will meet the future with confidence and purpose.

This program features the distinguished 2020-2021 Innovation of the Year Award winners and 2021-2022 Excellence Award recipients from League Board and Alliance member colleges. The League thanks participating colleges for providing this opportunity to recognize such extraordinary faculty, staff, and administrators. We appreciate your support and willingness to share your college's experiences with the field, as together we carry on the legacy of the community college movement.

Rufus Glasper, Ph.D.
President and CEO
League for Innovation in the Community College

Congratulations! *from ACM faculty & staff*

CONGRATULATIONS

to the team behind our **Innovation of the Year** award!

Madison College teamed with healthcare partners to make Certified Nursing Assistant (C.N.A.) training and employment more accessible.

They developed a 100% online program that prepares students for the Nurse Aide Registry exam, and awards a micro-credential, leading to jobs in healthcare.

The Maricopa County Community College District (MCCCD) is an EEO/AA institution and an equal opportunity employer of protected veterans and individuals with disabilities. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, age, or national origin. A lack of English language skills will not be a barrier to admission and participation in the career and technical education programs of the District.

The Maricopa County Community College District does not discriminate on the basis of race, color, national origin, sex, disability or age in its programs or activities. For Title IX/504 concerns, call the following number to reach the appointed coordinator: (480) 731-8499. For additional information, as well as a listing of all coordinators within the Maricopa College system, visit: www.maricopa.edu/non-discrimination.
