Foreword

The League for Innovation in the Community College has been dedicated to informing, inspiring, and celebrating innovation in learning, teaching, professional development, and student success for more than 55 years. Over 35 years ago, we created the Innovation of the Year Awards to recognize innovative programs, practices, and initiatives that improve the ability of community colleges to serve students and the community, and honor those who create and implement them. In 2012, the League established the Excellence Awards to celebrate outstanding faculty, staff, and leaders in the community college field who have made a significant difference in the lives of students and in the communities their institutions serve. We are proud to continue the tradition of acknowledging the exceptional efforts at community colleges around the world.

This program features the distinguished 2023-2024 Innovation of the Year Award winners and 2024-2025 Excellence Award recipients from our member colleges. The League thanks participating colleges for providing this opportunity to recognize extraordinary faculty, staff, and administrators. We appreciate your support and willingness to share your college's experiences with the field, as together we carry on the legacy of the community college movement.

Rufus Glasper, Ph.D.
President and CEO
League for Innovation in the Community College

LONG BEACH CITY COLLEGE

Boosting Belonging

In fall 2021, a survey revealed that only **50%** of our students felt a sense of belonging at LBCC. We found this unacceptable, and then quickly got to work.

50%

Tools for Transformation in Just Two Years:

- We established LBCC's first Public Art Advisory Group
- Celebrated cultural heritage months for Latina/o/x, Filipino, Native American, Black/African American, Women, Asian/Pacific Islander/Desi, and LGBTQIA+ communities
- Revived existing employee resource groups and created new ones
- Launched faculty professional development around cultural curriculum
- Expanded basic student need programs like our Safe Parking Program and food/housing support
- Launched a new after-school program on campus

93%

By fall 2023, **93%** of students reported feeling like they mattered and belonged at LBCC. A tremendous improvement that can be proudly felt across our campuses.

We'd like to thank the Innovators who helped make this moment possible.

Dr. Erainia Freeman, Dean, Academic Success, Inclusion, and Support Services
Dr. Eric Becerra, Director, Student Equity
Justin Mendez, Director, Basic Needs and CASA Grant
Karla Aguiñiga, Manager, Art Gallery
