

2026-2027 Terry O'Banion Student Technology Awards Student Technology Champion Nomination Instructions

THE DEADLINE TO SUBMIT A NOMINATION IS NOVEMBER 10, 2026.

Eligibility

Eligible student nominees* must be enrolled at a League for Innovation Board or Alliance member institution** at the time of nomination and demonstrate:

1. Special talent in technology,
2. Passion for pursuing a career in technology,
3. Academic excellence, and
4. Strong financial need.

The Student Technology Champion award is presented to a student with a career interest in a technology field other than software development (e.g., hardware engineering, network administration, cybersecurity).

**Dual enrollment high school and early college students are not eligible.*

***Colleges must have current institutional memberships to participate.*

Nominations

Community college faculty and staff members are invited to nominate a Student Technology Champion candidate by completing the nomination process as described below. **Each League member institution may submit one nomination for Student Technology Champion.** Please communicate with your colleagues to avoid more than one submission.

Step-by-Step Nomination Instructions

1. Log in to your account at www.league.org.
 - If you have an account, but do not remember your username and/or password, click on "Forgot Password?" and enter the email address used to create the account. You will receive an email with a link to reset your password. DO NOT create another account.
 - If you do not yet have an account, create one at www.league.org/user/login?destination=home.
2. Once you are logged in, hover over "My Account" at the top, right of the page and select "Student Technology Champion Nomination."
3. Click on "Create New Nomination."
4. After carefully reading the information on the Instructions page, hit "Next."
5. Enter the information for your college's chosen nominee on the Student Nominee Information page, then hit "Next."

6. Respond to the following questions/statements on the Nominations Questions page, then hit "Next."
(NOTE: Responses to the questions below should be written from the nominator's perspective, in third-person narrative.)
- What technology career path is this student planning to pursue?
 - Provide the name(s) and enrollment date(s) of the technology-related course(s) this student has taken/is taking.
 - Provide examples of how this student demonstrates his/her/their passion for and determination to pursue a career in technology.
 - What technological skills does this student possess that make him/her/them a candidate for a Student Technology Champion award?
 - How does this student demonstrate the qualities of a Student Technology Champion (e.g., critical thinking, creativity, curiosity, dedication, leadership, ability to overcome adversity)?
 - Provide examples of this student's sense of collegiality/teamwork (e.g., works well with, cooperates, supports others).
 - From a financial standpoint, what impact would this award have on this student's education?
 - What other challenges has this student faced that have affected his/her/their academic goals?
 - List this student's academic distinctions (e.g., dean's list, president's list, academic scholarships, PTK).
7. Read the disclaimers and sign and date the Agreement Form, then hit "Next."
8. Make sure each status is checked on the Status/Review page. If not, navigate to the appropriate page(s) using the tabs on the left and add required information.
9. Once all statuses on the Status/Review page are checked, hit "Submit" to send your nomination to the League.
10. Upon submission, a confirmation email will be sent to you. If you do not receive notification from the League, please follow up with Kelly Dooling at dooling@league.org to ensure that the submission was successful.

Selection

A winner will be determined via review of eligible nominations by a selection committee. Identifying information (e.g., student name, college name, links to student projects) will be redacted for review/selection purposes. An award notification email will be sent to the faculty or staff member who nominated the selected Student Technology Champion.

Distribution

The winning Student Technology Champion will receive a plaque and a check for \$1,000 to be used toward their educational expenses (e.g., tuition, fees). Award materials will be mailed to nominating faculty/staff for distribution. The winner will be announced on the League's website and at the 2027 Innovations Conference.
