

CCTI

College and Career Transitions Initiative

Panel Questions

1. There are many elements to your CCTI project. Within your project what has been the most beneficial to your institution and your students through this established partnership?
2. How can your partnership strengthen career planning and transition services for students?
3. What systems can support remediation or advanced postsecondary opportunities?
4. What is the future of this partnership? Will it be expanded?
5. Closing comments by panelists (if time permits)
