

Find your *path*.

Our programs meet you wherever you are — whether you need your team moving this month or a credential that deepens your expertise. Start with the goal that sounds most like yours.

TIER 1 · ACTIVATE

Build team capability

Team-based · workshops & communities of practice

- Marketing & Outreach in the Age of AI
- AI Learning Design Workshop Series
- AI Task Force Accelerator
- The Rural Advantage (rural faculty CoP · Spring 2027)

TIER 2 · CERTIFY

Earn a credential

Deep individual skill · Multi-month

- League AI Fellows Program
- AI Ethics Certification
- Agentic Workflow Redesign
- Certified Change and Transformation Leader (CCTL)

WHICH ONE IS RIGHT FOR ME?

Find the statement that sounds like you.

"I lead marketing, communications, or outreach."

→

ACTIVATE

Marketing & Outreach in the Age of AI

Stay visible when students find colleges through AI

"I teach, or I lead teaching and learning."

→

ACTIVATE

AI Learning Design Workshop Series

Redesign assignments and assessment for the AI era

"I run a department or team and we need to move now."

→

ACTIVATE

AI Task Force Accelerator

Move your committee from mandate to momentum, fast

"I teach at a rural college and want AI to build on our strengths, not erase them."

→

ACTIVATE

The Rural Advantage

A semester-long faculty community of practice

"I've been tapped to lead an AI initiative and want structure, peers, and a finished project."

→

CERTIFY

League AI Fellows Program

The natural first credential — and the on-ramp to everything else

"I own the responsible-use and policy questions."

→

CERTIFY

AI Ethics Certification

For those accountable for governance and ethical use

"I redesign how work actually gets done."

→

CERTIFY

Agentic Workflow Redesign Certification

For process owners and operational redesigners

"I'm accountable for institution-wide change."

→

CERTIFY

Certified Change and Transformation Leader (CCTL)

For VPs and change leaders carrying the mandate

THE JOURNEY

Most leaders don't pick just one — they progress.
