Helping people move out of the "low income rut"!

Brighter Futures

The Walmart Brighter Futures 2.0 Project offers resources and assistance to move low income individuals into middle-skill jobs..

What we offer:

The Walmart Brighter Futures 2.0 Project helps students with training, resources, and support to complete a certificate, industry credential program or degree. We are here to get you ready to work! The goal is to help you gain skills and find a better paying job that can lead to a better life for you and your family.

Through partnerships with various community agencies, we provide support such as scholarships, books, immunizations, and assistance to complete a certificate program.
